

nanotech2009

5th ANNUAL UTAH STATEWIDE NANOTECHNOLOGY CONFERENCE

Devices & Sensors · Energy · Medicine · Materials & Characterization

SALT LAKE CITY · MARRIOTT CITY CENTER · OCTOBER 15-16

CALL FOR PARTICIPATION

REGISTER AT: www.nanofab.utah.edu/nanoutah09

COST: \$75 per participant [\$20 for students]

\$100 after September 14, 2009

Abstract submissions are due September 1, 2009

Abstracts for oral and poster presentations are now being accepted for the fifth annual Utah statewide nanotechnology conference. Please join us to promote Utah's micro/nano research progress, to stimulate free exchange of ideas and to explore commercialization opportunities. Forward this information to your colleagues who might be interested in participating. Register and find abstract rules and submission guidelines at www.nanofab.utah.edu/nanoutah09.

CALL FOR 15 MINUTE PRESENTATIONS

- We invite researchers, businesses, and students to present their unique capabilities and interests to provide potential collaboration opportunities for business and commercialization.

CALL FOR STUDENT POSTERS

- We invite students to present posters to encourage student attendance, recognize excellence in student research, and improve the visibility of student research efforts.

INVITED SPEAKERS

Prabir Dutta

Robert K. Fox Professor
Department of Chemistry
Ohio State University

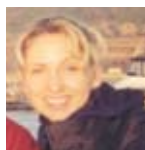

Mihail Roco

Senior Advisor for Nanotechnology
National Nanotechnology Initiative
National Science Foundation

David Grainger

George S. & Dolores Doré Eccles
Presidential Endowed Chair
Pharmaceutics & Pharmaceutical Chemistry
University of Utah

Jessica Swanson

Assistant Research Professor
Department of Chemistry
University of Utah

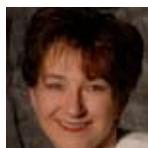

Richard McCreery

Professor
Canadian Institute of Nanotechnology
University of Alberta

Vladimir Torchilin

Distinguished Professor of
Pharmaceutical Sciences
Director, Center for Pharmaceutical
Biotechnology & Nanomedicine
Northeastern University

Agnes Ostafin

Associate Professor
Materials Science & Engineering
University of Utah

Henry White

Distinguished Professor &
Chair Department of Chemistry
University of Utah

Lisa Pfefferle

Professor
Department of Chemistry
Yale University

Hao Yan

Professor
Department of Chemistry &
Biochemistry
Arizona State University

CONFERENCE TOPICS INCLUDE: Nanomedicine, Device & Sensors, Energy, Nanobiotechnology, Nanoparticles, Materials & Characterization

Registration opens: **July 01, 2009**. For more information, visit our web site at:
