

nanoUtah 2013

10TH ANNIVERSARY - NANOTECHNOLOGY CONFERENCE & EXHIBITION

MATERIALS · DEVICES · ENERGY · MEDICINE

FRIDAY - OCTOBER 18, 2013

UNIVERSITY OF UTAH

Warnock Engineering Building (WEB)

Sorenson Molecular Biotechnology Building (SMBB)

7:30 a.m. **Warnock Engineering Building (WEB)**

Catmull Gallery

Open Registration and Breakfast

8:45 a.m. **Auditorium WEB L104**

Opening Remarks:

Thomas Parks

Vice President for Research

University of Utah

Richard B. Brown

Dean, College of Engineering

University of Utah

9:00 a.m.-

Keynote Speaker:

9:45 a.m.

Dennis E. Discher

Robert D. Bent Chaired Professor

Biophysical Engineering and

NanoBio-Polymers Lab

University of Pennsylvania

9:45 a.m.

Coffee Break – WEB and SMBB

10:15 a.m.

Parallel Sessions:

12:15 p.m.-

Auditorium WEB L104

Topic 1: Materials and Characterization

Auditorium SMBB 2650

Topic 2: Devices and Sensors

12:15 p.m.

Sorenson Molecular

Biotechnology Building (SMBB)– Atrium

Lunch

Poster Session and Exhibitor Viewing

2:15 p.m.-

2:50 p.m.

Auditorium WEB L104

Commercialization Panel:

Moderator

Kevin Jessing

Life Science Cluster Director

Governor's Office of Economic Development

Panelists

Aaron Osmond

State Senator for District 10

Glenn Prestwich

Presidential Professor

Department of Medicinal Chemistry

University of Utah

Dave Robinson

President

EZ Lift Rescue Systems

2:50 p.m.-

3:00 p.m.

Ryan Marshall

Brinks Hofer Gilson & Lione

Topic: Development on Fast Track Patents

3:00 p.m.

Coffee Break – WEB and SMBB

3:30 p.m.-

5:30 p.m.

Parallel Sessions:

Auditorium WEB L104

Topic 3: Energy and Environment

Auditorium SMBB 2650

Topic 4: Nanomedicine

5:30 p.m.

Auditorium SMBB 2650

Student Poster Awards

& Closing Remarks
