SALT LAKE CITY · THE GRAND AMERICA HOTEL · OCTOBER 13

CALL FOR PARTICIPATION

REGISTER AT: www.nanofab.utah.edu/nanoutah14

COST: \$135 per participant [\$50 for students]

After September 14, 2014: \$185 per participant [\$75 for students]

Registration and abstract submission is now open for the nanoUtah 2014 Conference. Please join us as we bring the nanotech community together to build relationships across the different sectors of academia, government, industry, and business ventures. From laboratory to market, we are leveraging knowledge and expertise to promote collaboration, commercialization, and economic development. NanoUtah is a regional showcase for emerging nanoscience advances and commercial applications. Submit your abstracts and register now for this exciting event.

CALL FOR 15 MINUTE PRESENTATIONS - ABSTRACTS DUE JULY 20, 2014

We invite researchers, business, and students to present an overview of their recent achievements, unique capabilities, or difficult challenges requiring nanotechnology solutions, with the potential of facilitating research collaborations, partnered development, and commercialization.

CALL FOR STUDENT POSTERS - ABSTRACTS DUE SEPTEMBER 1, 2014

We invite students and researchers to prepare posters to facilitate face-to-face interactions on recent strides in nanotechnology, recognize excellence and improve the visibility of research efforts.

nanoUtah is proud to partner and co-locate with the Commercialization of Micro- and Nanosystems Conference 2014. For more information go to: www.coms2014.com
