### Section 1: Chemical Product & Company Identification

**Product Details**
- **Product Name:** QuickSet Acrylic Powder
- **Allied Item No.:** 185-10000, -10005, -10020, -10030, -10040, -10050
- **Chemical Name:** Acrylic Powder

**Company Identification**
- Allied High Tech Products, Inc.
  2376 East Pacifica Place
  Rancho Dominguez, CA 90220
  (310) 635-2466

**Contact Point**
- Transportation for United States
  Chemtrec (800) 424-9300 * (202) 483-7616

### Section 3: Hazards Identification

**Hazard Statement:** Not listed as a carcinogen by IARC, NTP, ACIGH or OSHA.

### Section 4: First Aid Measures

**Potential Health Effects**

- **Eye Contact:** May cause irritation with discomfort, tearing or blurring of vision. **First Aid/Medical Info.:** Flush with water for 15 minutes including under the eyelids, seek medical attention if irritation persists.

- **Skin Contact:** May cause skin irritation, defatting, dermatitis and sensitization. **First Aid/Medical Info.:** Wash with soap and water. If irritation persists seek medical attention.

- **Inhalation:** May cause irritation of the respiratory tract with coughing, of nonspecific effects such as dizziness, headache, confusion, incoordination and loss of consciousness. **First Aid/Medical Info.:** Remove to fresh air. Seek medical attention if discomfort persists.

- **Ingestion:** May produce muscular weakness. **First Aid/Medical Info.:** Rinse mouth out with water. Seek medical attention if amount was large.

**Note:**

### Section 5: Fire Fighting Measures

- **Extinguishing Media:** Alcohol foam, carbon dioxide, dry chemical or water.

- **Fire Fighting Instruction:** Wear full protective clothing and OSHA/NIOSH self-contained breathing apparatus with full facepiece.

- **Special Hazards:** Avoid extinguishing methods, which may generate dust clouds. Water stream can disperse dust in air, producing a fire hazard and possible explosion hazard if exposed to ignition source.

### Section 6: Accidental Release Measures

- **Sweep up to avoid slipping hazard. Keep airborne particulate at a minimum when cleaning up spills.**

---

Ingredients are listed on the TSCA Inventory of Chemical Substances. Those not identified are non-hazardous.
### Section 7: Handling & Storage
Handling: Avoid contact with skin and eyes. Avoid inhalation of dust. Observe good housekeeping practices.

Storage: Keep only in original container and store in a cool dry place. Preferably not exceeding 95°F (35°C). Keep container closed to prevent water absorption and contamination.

### Section 8: Exposure Control & Personal Protection
Engineering Measures: Local exhaust at processing equipment.

Respiratory Protection: Use OSHA/NIOSH approved respiratory protection if level of air contaminants is excessive.

Protective Gloves: If hot plastic is handled.

Eye Protection: Safety glasses or chemical splash goggles.

### Section 10: Stability & Reactivity
Conditions to Avoid/Incompatibles: Heating above 464°F (240°C). Strong oxidizing agents.

Decomposition Products: Methacrylate monomer and oxides of carbon when burned.

Hazardous Polymerization: Will not occur.

### Section 11: Toxicological Information
Primary Routes of Entry: Eyes or skin (no absorption); inhalation of dusts.

Carcinogenicity: None of the components of this material are listed by IARC, NTP, OSHA or ACIGH as carcinogens.

Target Organs: None listed.

### Section 12: Ecological Information
Aquatic Toxicity: None listed.

Ecological Toxicity: Not known.

### Section 13: Disposal Information
May be disposed of in landfill or incinerated.

Dispose of waste material according to Federal, State and Local regulations.

### Section 14: Transport Information
Non-hazardous

Shipping Name: Synthetic Gum Resin Granular NOIBN

### Section 15: Regulatory Information
Canadian WHMIS: This product has been classified in accordance with the hazardous criteria of the CPR and the MSDS.

Risk Statements:
R36/37 - Irritating to eyes and respiratory system.
R43 May cause sensitization by skin contact.

Safety Statements:
S3 Keep in a cool place.
S7/8 Keep container tightly closed and dry.
S20-21 When using do not eat, drink or smoke.
S22 Do not breathe dust.
S24/25 Avoid contact with skin and eyes.
S37/39 Wear suitable gloves and eye/face protection.

### Section 16: Other Information
Legend
NAIF: No Applicable Information Found
NA: Not Available/Applicable
NE: None Established

DISCLAIMER: The above information and recommendations are believed accurate and reliable. Because it is not possible to anticipate all conditions of use, additional safety precautions may be required. ALLIED HIGH TECH PRODUCTS, INC. makes no warranty, either express or implied, as to its accuracy or completeness and none is made as to the fitness of this material for any purpose. The manufacturer/distributor shall not be liable for damages to person or property resulting from its use. Nothing herein shall be construed as a recommendation for use in violation of any patent.
